## PARISH NEWS - THIS WEEK (no change from last week)

Please make use of this address when contacting the parish office: [stmargaretclitherow@rcaol.org.uk](mailto:stmargaretclitherow@rcaol.org.uk).

A reminder: Please could all items for the *newsletter* be sent to the office at Holy Family or the above email by Wednesday evening.

**CHURCH CLOSURE:** In a recent email to priests of the Archdiocese, the Archbishop has written the following:-  
"Although I have circulated the recent Government advice on the opening of churches, I want to emphasise that the final decision in this regard is yours. Only you know your people, their age profile and the risks they are likely to be exposed to and present to others. You have to consider your volunteers and stewards. You also have yourself to consider and I would not want you to expose yourself unnecessarily to infection from the virus."

So, after speaking to a number of health professionals, priests in the Archdiocese, nurses and NHS staff, all the priests of the Deanery have decided to cease the celebration of public worship and private prayer in all the churches in the area. We will review our position as and hopefully when the situation is a little better. There are several reasons for this:

- The number of cases in the NW is still very much on the increase.
- The new strain of the virus is more virulent than in the past.
- A good number of people who attend Mass are over 70 and are therefore in the vulnerable category – even though there is no obligation, attending Mass is a further risk.
- It is important to ensure the safety of our stewards. Our thanks go to them for all the work they have done in the past few months. Without them we would not have been able to open up any of our churches again.
- Even though our churches have been Covid secure it is still a gathering of people for 30 minutes which increases the risk of spreading the virus.

The overall message from the Government and health officials is to STAY AT HOME. Please do so, stay safe, and please God we will be able to open up our churches very soon to welcome you back. As we see the vaccine distributed, closing our churches now is a small price to pay to welcome back a time when we can feel safe everywhere, especially when we gather to pray together one day.

- In the current lockdown weddings and baptisms are not permitted except in danger of death.
- Funerals which take place in church may only be attended by up to 30 people maximum.

**Mass on the internet:** YouTube link is <https://www.youtube.com/channel/UCdiZm6Ng-14daTz6Q9ZcRLQ> This is also on Facebook on the page titled 'Parish of St Margaret Clitherow, Leigh'. The Sunday **9.30am** Mass will be broadcast and for those who can access it the video will remain to be watched anytime afterwards if you miss it live. Where possible daily Masses will be broadcast and other prayer services which can also be watched and participated in at any time later.

**Food collection** – Thank you for continued donations for the food bank operating in St Gabriel's school for the families in need there. Non-perishable food such as tinned or dried food may be left at church or dropped off at Holy Family Presbytery.

**Faith Leaders joint response to the latest Covid-19 situation** – The leaders of faith communities in Liverpool and Merseyside, including The Most Revd Malcolm McMahon OP, Catholic Archbishop of Liverpool call ... people across the region ... to the following actions:

- In all aspects of our lives, including in the practice of our faith, we must maintain COVID-secure behaviour so as to care for one another.
- We strongly encourage everyone to take up the vaccine offer when it is made to us, and we should support other people in receiving the vaccine.
- In these stressful days we must show kindness to one another, and especially to the anxious and those more vulnerable than ourselves.
- Where asymptomatic mass-testing is available, we should participate in order to play our part in protecting others from infection.
