CHURCH CLOSURE

In a recent email to priests of the Archdiocese, the Archbishop has written the following:-
"Although I have circulated the recent Government advice on the opening of churches, I want to emphasise that the final decision in this regard is yours. Only you know your people, their age profile and the risks they are likely to be exposed to and present to others. You have to consider your volunteers and stewards. You also have yourself to consider and I would not want you to expose yourself unnecessarily to infection from the virus."

So, after speaking to a number of health professionals, priests in the Archdiocese, nurses and NHS staff, all the priests of the Deanery have decided to cease the celebration of public worship and private prayer in all the churches in the area. We will review our position as and hopefully when the situation is a little better.

The overall message from the Government and health officials is to STAY AT HOME. Please do so, stay safe, and please God we will be able to open up our churches very soon to welcome you back. As we see the vaccine distributed, closing our churches now is a small price to pay to welcome back a time when we can feel safe everywhere, especially when we gather to pray together one day.

- In the current lockdown weddings and baptisms are not permitted except in danger of death.
- Funerals which take place in church may only be attended by up to 30 people maximum.
