The person appointed will be faith-filled and enthusiastic in their commitment to inspire the school community to live out its mission as a Catholic school.

The governors of this popular high school are therefore looking to recruit a committed and inspiring chaplain to support the faith lives of our students and staff and to ensure that the Catholic faith of St. Mary's permeates all aspects of school life. The successful candidate will be a practising Catholic with a deep sense of faith commitment and have an approachable and friendly way of relating to young people. The person appointed to this post will need to have diverse skills and interests underpinned by a well-articulated faith. The nature of the role will require the person to have a strong faith and commitment to Catholic education.
